BISHOP'S VOICE | WORDS TO WALK BY

Bishop Qoutes: Obey God's voice through His servants and unlock blessings. Proximity to God fuels faith, obedience and breakthroughs. You're bigger than your challenges because Christ is in you.

-Bishop H

In this season, Bishop Honest Ncube calls us back to the heart of our walk with God obedience, intimacy, and awareness of Christ within us. These are not distant ideals, but daily practices that shape how we live, respond, and grow.

A Call to Obedience

There is power in listening and responding to God's voice, especially as He speaks through His servants. Obedience is not just an action it is a posture of trust. When we choose to follow His leading, even in small things, we position ourselves to receive His blessings and direction (Luke 10:13).

Worship as Intimacy

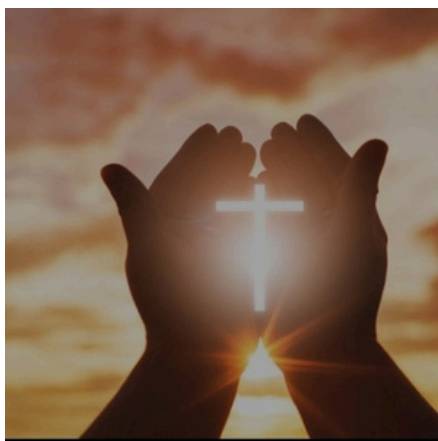

Worship is more than a moment; it is an encounter. It is in worship that we connect deeply with God, unlocking His presence and power in our lives. In His presence, burdens lift, clarity comes, and strength is renewed.

Rising Above

You are defined by Christ in you not your challenges. Rise, build, and make more from what you have.

Focus Shift

Fix your eyes on God's presence, not problems (Luke 10:21–23).

Let these truths guide your steps, strengthen your faith, and draw you closer to Him.

SOUL WINNER OF THE MONTH

| CELEBRATING IMPACT

Abomzala Cleaning Traders

This month, we take a moment to honor and celebrate a vessel who has gone above and beyond in advancing the Kingdom through soul-winning. With consistency, boldness, and a heart full of compassion, this individual has demonstrated what it truly means to reach others with the love of Christ.

Soul Winner of the Month: Thandi Khuabo

Your dedication, faithfulness, and willingness to step out and share the Gospel have not gone unnoticed. Lives have been touched, hearts have been drawn closer to God, and Heaven has rejoiced because of your obedience. Thank you for being a light and an example to us all.

HOW TO WIN SOULS | PRACTICAL STEPS

Soul-winning is not reserved for a few—it is a calling for all of us. Here are simple yet powerful ways to begin:

1. Live the Message

Let your life reflect Christ. Your actions, attitude, and character should draw others to Him.

2. Be Intentional

Look for opportunities daily—at work, in your community, or among friends—to share God's love.

3. Share Your Story

Your testimony is powerful. Speak honestly about what God has done in your life.

4. Lead with Love

Approach people with kindness, understanding, and without judgment.

5. Pray Consistently

Pray for guidance, boldness, and for the hearts of those you are reaching.

6. Invite and Follow Up

Invite people to church or fellowship, and walk the journey with them beyond the first encounter.

MARRIAGE SEMINAR HIGHLIGHT | BUILDING KINGDOM FOUNDATIONS

This past month, we were privileged to host a powerful and enriching Marriage Seminar an atmosphere filled with wisdom, honesty, and a shared desire to build relationships that honor God.

Couples and individuals gathered with open hearts, ready to learn, grow, and strengthen the foundations of love, commitment, and unity. The seminar created space for real conversations addressing communication, trust, purpose, and the role of God at the center of every thriving marriage.

A HEARTFELT THANK YOU

We extend our deepest gratitude to Apostle Evans and Prophetess Grace for your powerful teachings and heartfelt impartation during the Marriage Seminar. Your wisdom, authenticity, and dedication to building strong, God-centered unions truly left a lasting impact on everyone present. We also sincerely thank Apostle Ganya and Prophetess Ganya for your valuable contribution and insight. Your teachings brought clarity, encouragement, and practical guidance that will continue to strengthen relationships long beyond the seminar. We are truly grateful for the time, grace, and anointing you each poured out. Your voices have sown seeds that will bear lasting fruit in marriages and families within our community.

With appreciation,

How God Turned Our Laundry Dream into Reality

Can a laundry store be a vessel for God's blessings? We say Absolutely! Pastor Zanele and Sister Hazel shared how they managed to open a laundry store and landed a major client whose an estate agent. "We were still getting things together when this opportunity came knocking", Pastor Zanele says. The client was impressed he then offered us a sub-contract and coaching intel on laundry services. "It was God's grace all the way," Sister Hazel added. Our perseverance paid off and now we're spinning our way to success. With God anything is possible. Even in the laundry business.

Minister Vusisizwe

The servant of God says, "I am overwhelmed with gratitude for God's healing touch in my life. Over the past few weeks I struggled with illness but as I entered the church I felt an instant relief from the pain that had been plaguing me". Such can only be through God and trusting in him and his ways. Glory to God forever more.

Minister Yvonne

The Woman of God says, "I was counting on my workmate to bring money for stock Sunday evening, they arrived late I was already in bed and the balance they told me was short. Stressed about debt and not having enough for stock, I went back to sleep and left the money on the table till morning, saying 'God only knows'. The next day, I counted the money and surprisingly, it was enough not only for stock but also to pay off my debt for stock I took last time, with extra to buy more stock".

God does not mismanage placement." 🗣️ Read that again. If He opened the door, stop telling Him you aren't qualified. That's not being humble; it's being insecure. It's time to speak without flinching and lead without over-explaining. You're there because He trusted you there. Period.
