BUILDING PROJECT SUCH A SUCCESS

From That

To This

The God of Possibilities

To some it feels impossible but to us with God all things are possible. We see this through the hand of God that stretched out towards his temple, our altar of praise, worship and fellowship. We are still in the building process and the progress of this has been magnificent, the move has been on 120km and still moving.

Gathering Of The Eagles [G. O. T. E-How To Operate In The Prophetic]

“He who receives a prophet shall receive a prophet’s reward.” During the G.O.T.E. Conference, we truly witnessed the demonstration of this scripture. As Prophet Supiya prepared to minister the Word of God, his spiritual children rushed to the altar, sowing into the Word not because he had already ministered well, but because they trust the One who is in him.

Here are a few key points the prophet emphasized:

1. The supernatural church operating in power.
2. The three mainstreams of gifts Power, Revelatory, and Vocal and the four sources of prophecy.
3. The process of authenticating a prophecy.

The teaching focused on a crucial and essential need of the present-day church: POWER. Prophet Supiya anchored the message on Acts 1:8, emphasizing the importance of power in the life of the believer.

As the teaching progressed, he further expounded on the gifts of the Spirit, highlighting the five-fold ministry gifts but not limiting the discussion to them.

He reminded us that, as the supernatural church, we should be desiring the gifts, not following them but rather following LOVE (see 1 Corinthians 12:1). The rest it was prophecies throughout we glorify God for indeed we have witnessed, obtained and will apply.

OUR OUTERMOST GRATITUDE AND APPRECIATION

This previous month, we were graced to host a powerful and worthy of praise conference The Gathering of The Eagles. An angelic atmosphere filled with power, prophecy and The Word.

Families, friends and individuals gathered with open hearts, ready to learn and receive, to be imparted and partake. The foundation was laid and raised to high level in just 3 days and 3 nights. Praise be to God forever more

A HEARTFELT THANK YOU

It can only take the spirit of God for such a gathering to take place. It was not by our power nor our mighty but through the king of kings. For great generals to travel to come and minister to victory redeemed church, to come deposit what God had instore for his people we are so grateful and blessed.

Prophetess Hope

We celebrate new life, the prophet of God that landed during the conference. The woman of God says her contractions started Friday morning and she managed to get ready and go to Alex hospital and was transferred to Edenvale as emergency. The doctors said it was breech the baby's feet where at the bottom and the head on top but the placenta is at the bottom even if the baby were to turn the placenta may hook on the head, they'll have to operate. Immediately she told them she will have to speak to higher authority and the response was we are standing with you daughter. She began seeing the angels of Bishop H and Prophetess Shurnell at the labour ward she got assured and with just one push the baby was delivered with the feet first, with no tie no stitch and in good health

Pastor Samantha

On Saturday night Pastor Samantha got stuck in Brooksan Village after work. All the ATMs were down, her calls went unanswered, and no one could give her a lift. Feeling helpless, she prayed for God's help. Shortly after, an Indian man at the ATM noticed her alone late at night and offered to take her to another ATM. They withdrew money, and he even gave her transport fare. God answered her prayer in an unexpected way

In the Bible, when Job had everything, he prayed.
When he had nothing, he still prayed. PRAY
because Prayer isn't about your circumstances, it's
about who God is.
